How does it work?

Just to be upfront - let's talk about the fees

Brighte asks for a one off application fee of \$75.00. This is applied to your account when you initially setup your facility with us. Then, as you repay your purchase, a fortnightly payment processing fee of \$2.99, and a monthly account keeping fee of \$3.50 is applied. A late fee of \$4.99 may be charged if you miss a repayment.

When you setup a payment plan with Brighte, the great thing is it can be used again and again and we will never charge you any additional setup fees if you choose to re-use you account with Brighte.

How do I qualify?

You will need to meet all of the following conditions;

- Be over 18 years of age and an Australia Permanent Resident
- Employed or Self Employed working 30+ hours a week
- Have a photographic ID (usually a drivers licence)
- Have a bank account in your name
